

## Secretary Foxx Announces \$500 Million in Seventh Round of TIGER Funding

U.S. Transportation Secretary Anthony Foxx today announced that \$500 million will be made available for transportation projects across the country under a seventh round of the highly successful U.S. Department of Transportation's (DOT) Transportation Investment Generating Economic Recovery (TIGER) competitive grant program.

TIGER 2015 discretionary grants will fund capital investments in surface transportation infrastructure and will be awarded on a competitive basis to projects that will have a significant impact on the nation, a region, or metropolitan area.

The TIGER 2015 grant program will continue to make transformative surface transportation investments by providing significant and measurable improvements over existing conditions. The grant program will focus on capital projects that generate economic development and improve access to reliable, safe and affordable transportation for disconnected both urban and rural, while emphasizing improved connection to employment, education, services and other opportunities, workforce development, or community revitalization.

For information on the 2015 TIGER summit, please click [here](#).

The Pre-Application deadline is 11:59 E.D.T. on May 4, 2015.

The Final application deadline is 11:59 E.D.T. on June 5, 2015

---	--

**Estimated Total Program Funding:** \$76,000,000

**Award Ceiling:** \$1,100,000

**Award Floor:** \$700,000

#### Eligibility

**Eligible Applicants:** Others (see text field entitled "Additional Information on Eligibility" for clarification)

**Additional Information on Eligibility:** Eligible applicants for these grants are public or private non-profit agencies or organizations including rural, urban, or Native American agencies that have previously served disadvantaged youth in a YouthBuild or other similar program. These agencies or organizations include, but are not limited to: • a community-based organization; • a faith-based organization; • an entity carrying out activities under the WIOA, such as a local workforce development board; • a community action agency; • a state or local housing development agency; • an Indian tribe or other agency primarily serving Native Americans, including those living on reservations; • a community development corporation; • a state or local youth service or conservation corps; • any other entity eligible to provide education or employment training under a federal program; or • an entity in an area designated as a Promise Zone or member of a Promise Zone collaboration, if applicable. For more information on about Promise Zones go to [http://portal.hud.gov/hudportal/HUD?src=/program\\_offices/comm\\_planning/economic\\_development/programs/pz](http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/economic_development/programs/pz) Grantees who received funding from the FY 2014 YouthBuild competition [SGA/DFA PY 13-04] are funded through December 2017 and these grantees (based on their unique Employer Identification Numbers) are not eligible to participate in this competition.

#### Additional Information

**Agency Name:** Employment and Training Administration

**Description:** The Employment and Training Administration (ETA), U.S. Department of Labor (DOL or Department), announces the availability of approximately \$76 million in grant funds authorized by the YouthBuild provisions of the Workforce Innovation and Opportunity Act (WIOA) (Pub. L. 113-128). It is the Department's intention to align this Announcement with pending WIOA regulations. Under this Funding Opportunity Announcement (FOA) (formerly known as a Solicitation for Grant Applications), DOL will award grants through a competitive process to organizations to oversee the provision of education, occupational skills training, and employment services to disadvantaged youth in their communities while performing meaningful work and service to their communities. In Fiscal Year (FY) 2015, DOL hopes to serve approximately 4,950 participants during the grant period of performance, with approximately 76 projects awarded across the country. Individual grants will range from \$700,000 to \$1.1 million and require an exact 25 percent match from applicants, using sources other than federal funding. The grant period of performance for this FOA is 40 months, including a four-month planning period.

Injury Public  
Health  
Activities

**Cost Sharing or Matching Requirement:** No

#### Eligibility

**Eligible Applicants:** Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education  
Public and State controlled institutions of higher education  
For profit organizations other than small businesses  
Public housing authorities/Indian housing authorities  
Special district governments  
County governments  
Small businesses  
Private institutions of higher education  
State governments  
Native American tribal governments (Federally recognized)  
City or township governments  
Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education  
Native American tribal organizations (other than Federally recognized tribal governments)  
Independent school districts  
Unrestricted (i.e., open to any type of entity above), subject to any clarification in text field entitled "Additional Information on Eligibility"

**Additional Information on Eligibility:** The specific emphasis on humanitarian training in health emergencies specified in this grant requires that a successful grantee have substantial global health experience and begin work immediately upon receipt of the award. CDC/CGH/DGHP/ERRB considers that this can only be accomplished by an institution of higher learning with a school of public health accredited by the Council on Education for Public Health (<http://ceph.org/>). A letter from applicants verifying this accreditation is required.

#### Additional Information

**Agency Name:** Centers for Disease Control and Prevention

**Description:** This FOA supports the implementation of programs and activities targeted at increasing the capacity of humanitarian partners to improve the health of populations affected by humanitarian emergencies and conflict settings. Its purpose is to increase the number of trained humanitarian professionals, through the development of didactic and experiential training programs in public health response. Projects should consider the development, implementation and evaluation of programs that are inexpensive, widely accessible, public health-focused, and innovative in their approaches to maximize their potential impact.
